WORK EXPERIENCE:

Assistant Sports Director

WJBF NewsChannel6

Augusta, Georgia

December 2022 – Present

- As the Assistant Sports Director, I produce and host the weekend sports segment of our newscast, film and edit highlights of local sports, and conduct interviews with players and coaches. Our live coverage includes a weekly “Game Night Live” football game where I am a sideline reporter, as well coverage of local high schools, colleges such as UGA, Clemson, and South Carolina, and the annual Masters Tournament. We also cover professional teams in our studio such as the Atlanta Braves, Falcons, Hawks, and the Carolina Panthers.

SEC Network Sideline Reporter

On-Air Talent, Crimson Tide Productions

University of Alabama

November 2021 – July 2022

- As a sideline reporter for Crimson Tide Productions, in association with SEC network, my responsibilities include developing storylines, building relationships with athletes and coaches, and conducting player and coach interviews for the major sports network. This opportunity requires handling multiple responsibilities and extreme versatility in preparation for my role on the sideline of a field, diamond, or arena.

‘TideTV This Week’ Studio Host

On-Air Talent, Crimson Tide Productions

University of Alabama

July 2020 – May 2022

- TideTV This Week is the premier sports-recap show for the University of Alabama. As the co-host of the show, I was an on-air sports journalist in a studio setting for a total of 66 episodes. This forum allowed me to showcase a range of knowledge and skills, while displaying my comfortability in front of the camera. In addition, I participated in the pre- and post-production of our show, including writing, producing, and editing.

Production Intern

Crimson Tide Productions

University of Alabama

September 2019 – July 2020

- As a production intern, I was able to master the skills needed for producing a sports video package, building graphics, running replay, and editing in Adobe Premiere. In addition, I acquired technical skills with camera equipment, lighting, grip, & more.

SKILLS AND ACTIVITIES

Computer: ENPS, Adobe Premier, Photoshop, Microsoft Excel, Microsoft PowerPoint, etc.
